

## ACS Small & Medium Business Webinar Series

Tired of waiting for investors? Want to start building your company? Raising capital is by far the most unpleasant task entrepreneurs and small businesses will ever have to perform. The landscape for venture capital funding has also shifted in the last year. Join us to learn first hand on how to find the right funding sources and the venture capitals that can be your partners to success.

### ***“What You Need To Know About Changes in VC Landscape and Capital Raising Process”***

*A half-hour presentation followed by Q&A with speaker Josh Wolfe, Co-founder and Managing Partner of Lux Capital, a venture capital firm focused on founding, seed and early stage investments in the physical and life sciences. This is an opportunity for scientist professionals, entrepreneurs, and small/medium businesses to learn first hand from an experienced venture capital and scientist on how to successfully adapt to changes to the capital raising process.*

#### **What You Will Learn**

Hot opportunities areas and other myths in venture capital financing  
Tips and strategies on finding the right ‘marriage’ with venture capitals  
How to make your technology and business pitch to venture capitals  
And much more...

#### **Webinar Details**

Date: Thursday, August 27, 2009

Time: 2:00-3:00 pm EDT

Fee: Free

#### **About The Presenter**

Josh is a Co-Founder and Managing Partner of Lux Capital, focusing on investments in nanotechnology, semiconductors and life sciences. Before forming Lux Capital, he worked in Salomon Smith Barney’s Investment Banking group, where his experience included a \$4 billion hotel merger and a defense against an unsolicited LBO. Josh has also worked in capital markets while at Merrill Lynch on its Financial Futures & Options/Government Strategy desk and at Prudential Securities in its Municipal Finance department. Widely recognized as one of the preeminent minds in nanotechnology and finance, Josh has been invited by the White House and Canadian Government to advise government organizations on funding strategies. Josh is a co-founder of The NanoBusiness Alliance, a columnist with Forbes Magazine and Editor of the monthly Forbes/Wolfe Emerging Tech Report. Josh's weekly essays & insights: [www.forbeswolfe.com](http://www.forbeswolfe.com)
