

## ACS Webinars™: National Chemistry Week

Looking for ways to give back to your community? Try volunteering! Research shows that those who willing give of their time, talents and means are happier, healthier and wealthier. Join us with speaker, Dr. Al Hazari of the University of Tennessee, Knoxville, to learn how chemists are giving back to their communities and how you can too! [Register Free!](#)

*“Sparking Discovery – Chemists in the Community.” A short presentation followed by Q&A with speaker Dr. Al Hazari of the University of Tennessee, Knoxville.*

### What You Will Learn

- What you need to know to ignite curiosity and inspire lifelong learning
- Why you benefit when you connect to everyone, everywhere, everyday
- How to make chemistry and science fun for all
- How to conduct a successful community outreach event
- And much more...

### Webinar Details

Date: Thursday, October 21, 2010

Time: 2:00-3:00 pm ET

Fee: Free

### Meet Your Expert

Al received a B.S. degree in Chemistry from the American University in Cairo. He holds an M.S. degree in Chemistry from Youngstown State University in Ohio and a doctorate in Science Education from the University of Tennessee, Knoxville. Currently, he is the Director of the Undergraduate Chemistry Labs and a Lecturer in Chemistry at the University of Tennessee, Knoxville. He was the 2000 recipient of the ACS Helen M. Free Award for Public Outreach. Al is a former chair of the ACS Committee on Chemical Safety, an ACS tour speaker, and the councilor for the ACS - East Tennessee Section. Al is an affiliate of the Institute for Chemical Education and a member of the National and the Tennessee Science Teachers Associations. He has made several presentations and given talks at local, regional, national and international chemical and science education conferences.
